

## TERMS & CONDITIONS

By registering to a CineMavericks (owned by Caritas Films Ltd) workshop I, the child's caregiver, give permission for my child to attend.

If your child can no longer attend a workshop, a full refund can be issued one week prior to the workshop date, otherwise an opportunity to transfer to another class will be granted up to 24 hours before the class.

I authorise my child to use a personal mobile device and/or laptop connected to the internet for the purposes of this course.

I understand that the tutors (lead by Flavia Casà) will take all reasonable care of the participants. They are trained in Health & Safety best practices in regards to video shoots and will make sure all students know how to use the equipment safely. Young people will be contacted by the tutors exclusively for learning reasons.

For virtual classes I also understand that my child is registering to a remote course and that the tutors will not be able to supervise them in person. Therefore, the tutors won't be hold responsible for any accident happening at the student's house. In the unfortunate event of an emergency, and for the duration of the whole workshop, we recommend parents to be at home and at close distance.

For courses taking place in-person, tutors will make sure all safety protocols are in place and will supervise the workshop, but they will not hold any responsibility for accidents related to misuse of equipment.

There are likely to be photographs and videos taken during the workshop, which Caritas Films Ltd might use for promotional purposes. I hereby grant CineMavericks my full permission to use the photographs and videos taken by the tutors or created by the students during the workshop for any legal use, included but not limited to publicity, advertising and web content. If you would like to exercise your right to withdraw this consent, please specify it in writing by contacting [flavia@caritasfilms.com](mailto:flavia@caritasfilms.com).
